## From Mayor *Sandra Lundstrom*

If you're driving on SD Hwy 18 through Canton, stop and give us a look. We are rich in history and gearing up for the future.

The old railroad depot has been moved from its original location and is now housed by the railroad tracks on Hwy 18 in town as the Canton Depot Museum and visitor center. We are nestled in the valley by the Big Sioux River with some pretty spectacular views.

As a stand-alone community, we are the county seat of Lincoln County, the fastest growing county in the state. Currently, the Justice Center is being constructed on the west edge of town.

Canton is also fortunate that we have our own weekly newspaper, The Sioux Valley News. A great way to learn about our community is to read about us in the paper. Our schools are second to none and offer a setting for the youth to be recognized by name and not as a number. As a caring community our teachers and coaches not

only teach academics but also incorporate family values while coaching sports. Our performing arts center is a hub of activity for all with plays and concerts for the schools and the Canton Performing Arts Council schedules performers throughout the year.

The Canton Public Library is fully engaged in our community and offers many activities to the youth of the city. The swimming pool we have been planning for years is completed and this summer, the pool will be filled with the community members of all ages. We are excited to see and hear our kids in the new pool enjoying the hot summer days.

A new housing development will be starting this summer on the east edge of town near the Sanford Canton-Inwood Medical Center and the Hiawatha Golf Course. Speaking of the golf course, we have a nine-hole golf course that won't disappoint. It is a member owned golf course and is full of action all summer. The clubhouse is also newly remodeled and updated. Check it out.

Our industrial park has seen a lot of action this last year and is nearly full. Plans to expand are now a topic for conversation. Three brand new businesses have been

built this last year. The Lincoln County courthouse is expanding, moving the Courtrooms and some offices to a new Justice Center on the west edge of the city.

I'm extremely proud of our safety services in Canton. We have a Volunteer Fire Department, and our Canton Police Department is fully staffed and ready to protect and serve our community, we also have an SRO in our school system for the protection of our children. The police department hosts an Easter Egg Hunt and a bike rodeo, just to name a couple of fun events. Sanford Hospital has a full-time ambulance service at the disposal of Canton and our surrounding community. Canton is on the verge of growing and with that, the possibilities are going to be exciting. We have so many businesses, there are just too many to list. With the growth of our housing availability, I'm sure we'll have many more business opportunities in town. It's a wonderful city in which to live and raise your family. I am lucky enough to have been born and raised in Canton and my memory bank is full of the wonderful life I've lived in this city, while raising my own family.

# Welcome to Lincoln County

Lincoln County, located in southeastern South Dakota, was incorporated December 30, 1867. The Lincoln County Courthouse has marked the center of Canton, the county seat, for many years. The first Courthouse was erected and donated to Lincoln County in 1875 by the Canton Building and Improvement Association.

In 1889 a three and one-half story addition to the east side was built and ready for occupancy by February 1890. In 1899 the original courthouse was removed and the west addition was built and the clock tower was added. In May of 2008 construction was completed on a new Administration Building, which is a three-floor addition to the north side. It houses all of the county administrative offices. The historic building has been renovated to add needed space for Court Services.

A recently completed County Highway Department Building provides room for growth for many years in the future. The upcoming project for a County Justice Center is currently in motion and may provide the county much needed space for the following components such as courts, state's attorney offices, clerk of the courts, public defender, other county offices, sheriff's office, and a jail.

Lincoln County includes an area of 576 square miles and population of 65,161 at last census. Lincoln County is the fastest growing county in South Dakota.

The events sponsored by Celebrate Canton are fully supported through the fundraising efforts completed throughout the year.

In 2026, Celebrate Canton is proud to help mark a major milestone — **Canton’s 160th Anniversary**. This year’s theme, “**Canton 160th: Honoring the Past, Shaping the Future,**” reflects both our rich history and our exciting path forward.

We are thrilled to continue many of Canton’s favorite traditions, including two full days of **Depot Days**, the **Canton Pool Party**, **Town N Country**

**Night**, and **Saturday in the Park**. Last year, we also introduced new community favorites with the first-ever **Canton Trunk or Treat and Fall Festival**, which were met with great enthusiasm.

Another highlight of the year will be the return of the **Korn Karnival**, taking place **August 7th, 8th, and 9th**. This fun-filled weekend will offer activities and entertainment for all ages and is sure to be one of the signature celebrations of Canton’s 160th year.

We are fortunate to be part of a community that truly enjoys coming together for events of all kinds, and we look forward to celebrating with you all year long.

## Business of the Year: Bryant's Lawn Care

Not only does Jason operate a successful lawn care business, but he also owns **Big Sioux Monuments** and, most recently, partnered with **Todd Trumm** to develop **Creekside Condos**—helping grow Canton both economically and locally.

Jason is a true member of the Canton community, and he shows that through the care he takes with every job he does. Whether he is maintaining a lawn for a neighbor or helping a family honor a loved one with a beautiful headstone, Jason puts pride, respect, and quality into his work.

Another thing that truly stands out is Jason's commitment to our young people. Over the years, many of our young men have worked for him—some returning during college breaks until they graduate. The ones I have seen come through Jason's business have grown into fine gentlemen, and that speaks volumes about the mentoring and leadership Jason provides to his employees.

Jason, you are not just running businesses—you are building people, relationships, and a stronger Canton.

## Citizen of the Year-Cheryl Johnson

Citizen of the year went to someone who had interest in people and numbers at a young age by working at Farmers State Bank, participated in Scouting by being a Den Mother in Pack 60, started a business and continued it for 31 years before retiring, served as secretary at Hiawatha Golf Club, held various positions at Canton Lutheran Church, treasurer at different organizations, Live Nativity at Canton Lutheran Church, ran for Canton school board, expanded business by creating Canton Realty and many more accomplishments. This great honor went to **Cheryl Johnson**. She was so surprised and honored to be selected for this award. Johnson also planning and helped in the process of the Canton Depot Project serving 30 years of the Depot board. She was behind getting the caboose to the depot. She also helped organize Veterans Program and Canton Car Show and has been involved with Lincoln County Cruisers. She has great care for the community and glad to call Canton her home.

## Organization of the Year-Canton Pool Committee

The **Canton Pool Committee** is recognized for the strength and courage to make sure that Canton got a new pool. Through much fundraising, grant writing and community support the pool was opened in 2025. Thank you to all that were involved for all the hard work and dedication to our community.

# Canton Community Aquatic Center

Introducing the breathtaking Canton Community Aquatic Center at Kennedy Park!

After nearly eight years of hard work and dedication by The Canton Pool Committee, the Canton community opened its brand-new aquatic center in 2025. The facility, a labor of love for the pool committee, boasts a high dive, low dive, water walk, and an impressive aquatic play structure complete with multiple slides and exciting water features. Notably, the state-of-the-art bathhouse doubles as a category five storm shelter, providing safety and fun for all.

Pool committee chairman Todd Gannon expressed his gratitude, stating, "It's been an incredible journey, and I'm so proud of the dedication our committee has shown. This project wouldn't be possible without the committee's hard work and unwavering support from our community. We hope this facility becomes a cornerstone of our community and an enjoyable place for everyone to spend summer."

Vice Chairman Curt Meendering added, "This aquatic center is wonderful for the kids. It's a place where they can learn, play, and make memories for years to come."

As summer approaches, excitement builds for the opening of a facility that promises to make a big splash in Canton!

In addition to Gannon and Meendering, the pool committee also consists of John Ripley, Sandi Lundstrom, Gabe Devitt, Kaitlyn Peterson, Deb Pederson, Kamille Knudson, Erin Ockenga, and Sara Steffensen.

The pool committee is continuing to raise funds for extra amenities, like shade structures, picnic tables, and a sound system.

# Step Back in Time at Canton Civil War Days

## August 15-16, 2026

Held every other year, **Canton Civil War Days** brings history to life in a powerful and personal way. This unique event honors the soldiers who fought in the Civil War by sharing their stories, daily lives, and sacrifices. When Canton first took on this event, it was discovered that nearly **90 Civil War veterans** were part of one of the town's centenaries — a remarkable connection to our past. Reenactors travel from across the Midwest and as far as Arkansas, Wyoming, and Oklahoma to take part. Their camps line the riverbank beneath the trees, creating an authentic setting where visitors can walk through and experience how soldiers lived, slept, and prepared their meals. Each day features live battle reenactments, period vendors, music, and interactive camp tours. On Saturday night, everyone is invited to the **Civil War Ball**, a lively evening of dancing and singing that captures the spirit of the era.

Join us **August 15 & 16** for an unforgettable journey into history. Learn more at [www.cantonicivilwardays.com](http://www.cantonicivilwardays.com).

# Veterans Banner Project

The Canton Small Business Group started a great way to honor the local Veterans. The Veterans Banner Project became reality and a few banners were displayed last year. A personalized flag will be displayed on the light poles in downtown Canton honoring Veterans.

Each banner is sponsored or purchased by the family of the Veterans being honored. The banner will be displayed from April 15 through November 15 of that year. After the said term, the family receives the flag or may chose to renew the flag for another term to be hung back up. The cost of the banners covers the materials and maintenance of each one to be sure they are in the best condition.

To qualify for the Veterans Banner Project the following criteria must be met:

- The honoree is a past or present member of the United States Armed Forces
- The honoree is a current, former or deceased resident within Lincoln County
- The honoree must have an honorable discharge
- The applicant must be the honoree or close living relative/associate to the honoree
- The right of use of the honoree's name, military service information and photograph submitted with the application must not have been assigned or transferred to another person

To purchase a banner or for more details contact Paul Sogn 605-368-0475 or Kim Sogn 605-310-5347.

Applications can still be filled out for the future seasons by contacting Paul or Kim at The Garden Shed Floral.

# Canton Small Business Group

The Canton Small Business Group (CSBG) was established in May of 2020 by a small handful of local downtown business owners. The purpose was to network together and establish their presence in the downtown area of Canton. They felt that as a group they could build each of their businesses and enhance and grow the downtown area. Meetings are on the 3rd Thursday of each month where they now meet at the Public Library.

Members come together and share ideas, successes and stories of their past month of business. Along with that they try to promote and expand ideas into the other downtown businesses. CSBG have done many events in the past such as Open Houses, Customer Appreciation Days, Crazy Days, and volunteered at community events.
